ABOUT THE SPRINT ENDURO FORMAT...

1. Although the Sprint Enduro Format is different from a Restart Format, riders will still race the same number of miles as a Restart Race – there just will not be any Transition miles.
2. Riders start one every 15 seconds rather than multiple riders starting at the top of each minute.
3. Race consists of an 8:00–10:30 time block where a rider races 2 loops on their assigned Test Section/s. This is followed by an 11:00–1:30 time block where again each rider races 2 loops on a different test section.
4. Riders will be grouped by Long Course Riders, Short Course Riders, and Super Short Course Riders. The riding schedule and approximate mileages are as follows:

LONG COURSE RIDERS

8:00 – 10:30 time block: Race EAST Test Section- 2 Loops (approx. 12.0 mi/loop=24.0 Total Miles)

10:30 – 11:00 time block: Rest period

11:00 – 1:30 time block: Race WEST/CENTER Test Section- 2 Loops

(approx. 12.0 mi/loop=24.0 Total Miles)

Note: For long course riders, WEST & CENTER Test Sections will be one continuous loop. Ride it twice!

Note: Riders are encouraged to finish your 2 loops per Test Section as soon as possible with a minimal break between the loops in an effort to get scoring and awards completed and get you on the road sooner.

SHORT COURSE RIDERS

8:00 – 10:30 time block: Race WEST (6.5 miles) & CENTER (9.5 miles) Test Sections – 1 loop each. (Total Miles = 16.0 Miles)

Note: Short Course Riders will be divided into two groups. Half of the Short Course Riders will START on the WEST Test Section and half will start on the CENTER Test Section. If your number is GREEN, you will start on the WEST Test Section. If your number is YELLOW, you will start on the CENTER Test Section. You must ride both Tests during the time block with a minimal break between loops.

10:30 – 11:00 time block: Rest period

11:00 – 1:30 time block: Race EAST Test Section 2 Loops (9.5 mi/loop=19.0 Total Miles)

Note: Riders are encouraged to finish your 2 loops per Test Section as soon as possible with a minimal break between loops.

SUPER SHORT COURSE RIDERS

8:00 – 10:30 time block: Race WEST Test Section – 2 loops (6.5 miles/loop=13.0 Total Miles)

Note: Riders are encouraged to finish your 2 loops per Test Section as soon as possible with a minimal break between loops.
