A big Thanks to
everyone who
came to the
Family Play day
June 11

Message from President Derek Sowers

Summer is winding down and cooler weather will hopefully be here soon. I, for one, am ready for it!

Thank you to Stillwater Parks & Rec for the beautiful new signs at the entrance to the park and the picnic tables. I have already received many positive comments on them.

Over the past week several volunteers cleared the many fallen trees that had accumulated on the trails over the course of the summer. I would say that I helped but they were practically done by the time I there. Thanks!

Hope that the weather cooperates and we have a good turnout for the November 12th workday. I am sure that we will have several (many) nire unofficial work days too. All trail work is done by volunteers and if you are willing to help but have questions feel free to contact me with our questions and I will do my best to answer them.

Happy Trails, Derek Sowers

Two vintage bike events in
October

Oct 16th

Coop's Vintage Scramble
30 mile trail dirt ride for
pre 1985 bikes
